New Zealand Management Changes

Mulford International COO Arnold Mouw has announced some changes to the Mulford Plastics NZ leadership team

Kevin Murphy the current Auckland Manager will be relocating to Christchurch to take up the South Island Manager position effective September 21.

The Mulford NZ team has been outperforming the economy on every front, and the AKL and Hamilton operations have again had a solid first half year despite the global impact.

During his time in Auckland Kevin has been instrumental in the expansion of the Mulford activities in Auckland and particularly the Bay of Plenty region with the opening of Mulford Plastics' fourth branch at Hamilton in October 2007.

Arnold Mouw also announced the promotion of **Graeme Rice** to the Auckland and Hamilton Branch Manager position replacing Kevin Murphy effective from September 1.

Graeme has made a significant contribution in both the outside sales position and his recent work in business development.
